There's a Message in Your Mess

April 14, 2014, written by katie

A message in your mess [1]

Video of A message in your mess

We all live messy, messed up lives. Not-a-one of us are perfect or all put together no matter what it seems like to others. Here I talk about my biggest mess and how it has become a message in my life....and how I am trusting God that it is His masterpiece.
